Kelly Vizcaíno

Junior Web Layout Developer

PROFILE

Bilingual professional with hands-on experience in web layout, editing, and content maintenance for international digital projects. I have worked with WordPress, Elementor and Divi to create and optimize pages and landing pages, perform mobile and desktop QA, and collaborate with design and development teams. I am currently strengthening HTML and CSS through a structured frontend learning path, with a particular interest in Webflow, UX/UI and conversion-focused optimization.

PROFESSIONAL EXPERIENCE

Academic Operations Coordinator — Mar 2018 – Feb 2023
Smart Academy · Medellín, Colombia

- Designed digital learning materials, guides and content while managing documentation and processes for a team of 60+ instructors.
- Coordinated projects and operational improvements, strengthening organization, autonomy, attention to detail and deadline management.

Freelance Digital Project Support — Mar 2020 – 2023
Seré Business · Freelance (Colombia)

- Supported the creation, adaptation and publishing of content for digital campaigns and channels.
- Organized workflows, calendars and deliverables and collaborated with creative teams in remote environments.

WordPress Web Content Editor / Content Operations Coordinator — Mar 2023 – Feb 2026
Farmer Brown Insurance, Inc. · Remote (USA)

- Created, edited and published pages, landing pages, articles and other content using WordPress, Elementor and Divi.
- Laid out and updated text, images, links and sections while maintaining visual consistency and page structure.
- Performed pre-publishing QA covering links, spelling, design and mobile/desktop rendering.
- Applied on-page SEO and coordinated priorities with design and development teams.
